CALL OF DUTY BIBLE READING PLAN

CALL OF DUTY

HOW TO USE THIS PLAN

The Call of Duty Reading Plan is designed to help you spend consistent time in the Scriptures throughout the month.

Each day includes a short reading with no reflections or prompts. The goal is simple: to give you space to be with Jesus through His Word without distraction or pressure.

If you fall behind, don't rush to catch up; return to the next day's reading and keep going.

Happy Reading!

Sean

PS: As a companion and an added layer of accountability, I've committed to posting daily videos where I read each passage aloud.

MEET SEAN DREHER

I'm a pastor and public theologian based in South Carolina.

For nearly two decades, I've served the local church with a deep conviction that the person and work of Jesus should shape not only what we believe, but how we think, live, and engage the world around us.

That conviction shapes everything I create, including this Bible Reading Plan.

Today, I lead Kingdom South, a formation-focused church, and develop formation-focused resources to help people work out what it means to follow Jesus amidst the complexities of the modern world.

You can find my weekly writings about Jesus, culture, and more on Substack at withseandreher.com.
